This Week

We hosted the Boccia final in our school hall. The children all had a fantastic afternoon and congratulations to Belvoirdale Primary School who came 1st overall.

Severn Trent Water visited school on Monday to talk to all of the children about saving water. They were given helpful advice and tips about how they could make a difference and learnt about the journey the water takes before it reaches our taps. The assembly was followed up by class workshops with Years 5 and 6. Severn Trent Water has lots of useful tips about saving water on their website as well as free products such as a shower timer, plant water saving gel and gunk pots.

Year 5 really enjoyed their Bikeability classes this week. They have learnt important life skills and will be presented with their certificates in assembly today.

Thank you

Thank you so much for your support in helping with the children's independence in the mornings. We are noticing a difference already in how quickly the children settle to their learning.

Parent Consultation Meetings

Our Spring Term Parent meetings will be taking place on the week beginning 19th March. As in previous years, the meeting this term will be an extended meeting giving you more of a chance to discuss your child's progress in detail. Each teacher will be covered for a day during the week and well as having one later evening, allowing enough time to accommodate all parents.

Playground Games

Unfortunately some of our children have started playing games which include play fighting. We have spoken to the children several times about this, however unfortunately a child was hurt this week during a game. The boys involved enjoy playing on an Xbox fighting game, and it appears that they were acting out the game on the playground. We have reminded the children that this isn't a suitable game to play on the playground and would really appreciate your support in reiterating this at home. Thank you.

Contact Information

This week we have emailed all parents to check that we have their correct email address. Thank you to all of the parents who have emailed back their confirmation. If you did not receive an email, please contact the school so that we can amend our records. Also as a reminder, if you do change your telephone number, please do let us know in case we need to contact you in an emergency. We use the text message system as our first line of communication regarding keeping you informed about our school. Thank you

Arriving and Leaving School

We had a 'near miss' incident this week when a vehicle was leaving the school drive and pulling onto the road. Please be mindful when crossing the driveway, whether by foot or in a vehicle. The youngest children have been spoken to about road safety this week and reminded that they need to stay with their parents or carers when close to the road.
