PE Budget and Spending 2015- 2016

Sports Funding - Information for Parents

The Government has made available additional funds to all primary schools for 2015-2016. This money must be spent on improving the provision of PE and sport for the benefit of pupils registered at that school so that all pupils develop healthy lifestyles. The funding is £8,000 plus £5 per pupil which equates to £9000. School staff and Governors will evaluate this spending very carefully to check that it has positive impact on children's participation in sport and physical activity. Woodcote Primary School has bought into the partnership offered by the North West Leicestershire School Sports Partnership (NWLSSP).
